

INVITATION TO BID

Separate sealed bids for construction of Spring City Culinary Water Improvements Project 2024 will be received by Spring City from bidders.

Bids will be publicly opened and read aloud at 2:00 p.m. on May 15, 2024 at 45 S 100 E, Spring City, UT 84662.

The work to be performed under this project shall consist of furnishing all labor, materials and equipment required to construct the facilities and features called for by the CONTRACT DOCUMENTS and as shown on the DRAWINGS.

The Spring City Culinary Water Improvements Project includes the replacement of approximately 10,000 feet of water main pipe with associated valves, fire hydrants, and service connections. The project also includes the construction of a new 500,000-gallon concrete tank, chlorination building, approximately 11,000 feet of new transmission lines, and upgrades to existing wells and meter stations.

This project is funded by the Drinking Water Board.

Plans and specifications have been prepared by Sunrise Engineering, Inc. and will be available after April 10, 2024 on their website plan room at <http://www.sunrise-eng.com>. Click on "Plan Room" at the bottom of the homepage.

Bidders must register and sign-in and choose to become a plan holder to obtain access to CONTRACT DOCUMENTS and DRAWINGS. Notices regarding changes/amendments to the CONTRACT DOCUMENTS and DRAWINGS will be sent to the e-mail address associated with the bidder's registration. Bidders are responsible for maintaining current and correct contact information and check the plan room often to receive updates or additional documents/changes/amendments. The ENGINEER for this Contract will be Sunrise Engineering, Incorporated and they will be represented by Jason Brimhall, P.E. as Project Engineer.

A pre-bid tour will be held on April 24, 2024, at 2:00 p.m., leaving from the office of the Owner at 45 S 100 E, Spring City, UT 84662. Attendance at the pre-bid tour is not required, but highly recommended.

Names of those in attendance will be recorded.
